

It's almost time for Pumpkin Patch at New Castle Gardens! Field trips are available Mondays thru Fridays throughout October! Generally, groups stay for 2 to 3 hours and bring a sack lunch to eat on Straw Mountain. We have a fun variety of games to play outside, including Pumpkin Basketball, Hillbilly Golf, Cornhole, Ring the Pumpkin, the Lava Pit, and hayrides. Our beautiful location offers terrific outdoor photo opportunities (both posed and candid shots). A petting zoo and/or face painter are available at an additional charge. Schedule a fun outing for your students and faculty today!
