

Supplies List

*The 7/8 team is anticipating which supplies students will need to be successful in a classroom with social-distancing, for online-learning, or a combination of both. We will not be able to share common supplies, so we are working from the basis of students carrying their binders with **all** the necessary supplies contained within their binder system.*

1 three-inch **heavy-duty** ring binder to be shared between all subjects. Please ensure this is of sufficient quality to make it through the year!

1 packet of binder dividers with pockets: eight-tab, plastic and with pockets

3 pack college ruled paper, three-hole punched

1 pack graphing paper, three-hole punched

1 ruler with three holes for inserting into binder

Pencil pouch with 3 holes for binder

3 dozen pencils (please consider mechanical pencils!)

2 dozen pens: black, blue and other colors

2 black sharpies, fine or ultra-fine point

1 pack of 10-12 color pencils

1 hand-held pencil sharpener with enclosure

Scissors (5"/6" to fit in your pencil pouch)

Calculator: standard function (the \$1-\$2 Walmart variety is fine!)

1 pack dry erase expo markers, fine point (*required for your in-binder white-board which we'll make in August!*)

2 packs 4"x6" index cards

2 packs of sticky notes

3 small glue sticks

1 roll of Scotch tape

Please pack your binders and pencil pouches with the supplies you need. Please keep your replenishment supplies at home!

Additional supplies to bring on first day of school (required):

10 dry-erase chisel-tip expo markers (any color)

3 containers clorox wipes (which will hopefully be available by August)

2 boxes of kleenex

The following items are also required and should be sourced separately

Device (if using iPad please get iPad keyboard)

Earbuds or good headset (especially if we are doing any remote learning)

Measuring tape for mathwork at home (there is probably one already in your tool box!) ... keep at home, do not bring to school

Binder or other system to organize your overflow paperwork at home (an old binder from last year is perfect!) ... keep at home, do not bring to school
