

*Approved Vendor for
Colorado Bureau of Investigation*

Dear Applicant

The Colorado Bureau of Investigation (CBI) is in the process of implementing a new, Statewide Digital Fingerprinting Process known as CABS (Colorado Applicant Background Services). **This program is tentatively scheduled to start implementation on Monday September 24, 2018.**

Who We are: American Bioidentity Inc., dba Colorado Fingerprinting is an approved vendor for the new CABS Digital Fingerprinting Process. American Bioidentity Inc is a wholly-owned subsidiary of the American DataBank Group located in Downtown Denver since 1999. From its Denver headquarters American DataBank has provided background screening and advanced compliance management technology nationwide for 19 years. As a home-grown Colorado company, Colorado Fingerprinting is committed to your success and the success of the CABS program.

How the CABS Program Will Work:

You can choose to be fingerprinted at any of our convenient locations; we are in the process of opening over 40 locations throughout the State of Colorado. When you need fingerprinting the new, streamlined process look like this:

1. **Online Registration** - You will register through our online Enrollment Center at www.coloradofingerprinting.com where you will identify yourself and the entity requesting your report. **Please note the registration will be active as of September 24, 2018.**
2. **Convenient Location and Time** - Use the Enrollment Center to select a convenient location, date and time for your appointment.
3. **Payment or Billing Account** - After providing all required information you can pay with either credit card, money order or provide a billing account number if provided by your requesting institution.
4. **Confirmation** - You receive an appointment confirmation with your Order Number by text and by email.
5. **Fingerprinting** - Go to the fingerprint location at your scheduled time. Provide the Order Number to the enrollment agent along with your government issued photo ID (drivers license, state issued ID, US passport or foreign-issued passport). Your livescan fingerprints, digital photo and digital signature are then captured and submitted to CBI.
6. **Results** - The results are returned by CBI to the entity requesting your report.
7. **Status** - You can login to the Enrollment Center at any time to see the status of your fingerprint submission.

Please contact us 720-292-2722, toll free 833-224-2227 or email info@coloradofingerprinting.com if you have any questions or need assistance.
