

2020 Summer Reading-Rising 2nd Grade

Happy summer! This summer students will be expected to read a total of two 'just right' books; a nonfiction book and a fiction book. 'Just right' books are similar to the leveled books read in flooding class, not too hard and not too easy. In addition to reading (either independently or being read to) each book will be accompanied by an attached assignment. Reflect and write a paragraph about one of the Hawk Traits in the fiction book. ECCA Hawk Traits are: leadership, work, growth, respect, integrity, and camaraderie. An illustration with a sentence describing it needs to be completed for the non-fiction book. **Remember to capitalize the beginning of sentences, use correct punctuation, and practice accurate spelling while writing.** Students are always encouraged to expand their experience through additional activities or projects created by the individual student, but not required. Feel free to look outside the BOOK!

This will be your very first graded assignment in 2nd grade, so do your best. We are really looking forward to seeing your summer reading assignments next year!

Mrs. Place and Mrs. Taber

Fiction Book - Hawk Trait paragraph

Title: _____

Author: _____

Nonfiction- "What I Learned."

Title: _____

Author: _____

Draw a colorful and detailed picture from your nonfiction book and write a sentence (caption) below explaining the picture. Try to include a juicy fact.
