Session starts Monday June 3.

## 4-Week Courses

### **Monday** — 7:00PM – 8:30PM

*I Read the Bible, But I Don't Always Understand It* Basic Deacon Joseph Parker  
Did you know the word Bible means, “book?” Yes, the Bible is a unique book designed by God to reveal God’s plan for His people and to provide principles regarding the Christian life. It exists to be read and understood, although at times reading and understanding the Bible is not easy for everyone. Hence, this course is designed to provide the students with five simple principles that will teach the students how to read and understand the Bible. Upon completion of this course, students will become more passionate about reading the inspired Word of God.

### **Monday** — 7:00PM – 8:30PM

*What Can We Know About The End Times* Basic Minister JM Parker  
Few issues raise as much concern in the hearts of people as the matter of the future of this planet. Should we live in fear of nuclear holocaust? Should we live as if there is no tomorrow? Thankfully, the God of eternity has given us clear, understandable teaching in the Bible that can shape our thinking about the future. This 4- week study offers help and hope to those who are concerned about what the future holds.

### **Tuesday** — 7:00PM – 8:30PM

*Get Ready To Walk Worthy!* Basic Sister Sonetra Howard  
Often we are going through the motions, but do we really understand what is required of us as Christians? This class offers the students the opportunity to gain a better understanding of God’s expectations of Christians. The students will have an opportunity to examine their prayer life, understand how to respond to the sacrifice Jesus made for every believer, and learn what it means to be in God’s will. Leaving with a renewed spirit, the students will be able to share the importance of spiritual maturity.

### **Thursday** — 7:00PM – 8:30PM

*Church Words (A – Z)* Basic Minister Audrey Thompson  
Are there words that you have heard in church that you were not sure of their meaning or did not clearly understand their use? This 4-week course is designed to define, discuss, and delve into words from A-Z commonly used in church by ministers and Christian educators. The course will investigate terms that include theological basis, common usage, and frequent references in sermons, church meetings and Bible classes. This course will prick your ears and stimulate your interests in the common vernacular of the church.
