

Health & Safety Training

## ***New Online Workshop:*** **The Latest on COVID-19 Protection Strategies and Vaccinations**

The New England Consortium (TNEC), based at UMass Lowell, offers a 2-hour Live, Online course on worker safety during COVID-19 at NO COST. TNEC is a worker health and safety training program funded by the National Institute of Environmental Health Sciences. For over 33 years, TNEC has delivered training to workers in New England in hazardous materials and emergency response, disaster preparedness, infectious disease preparedness, and general workplace health and safety.

### **LIVE, ONLINE Course Is Designed To:**

- Prepare workers and communities for the latest on COVID-19 Protection Strategies
- Provide knowledge and practical experience in infection control guidelines and procedures for all workers in jobs with potential exposure to Coronavirus.

### **The Course Will Cover:**

- Resilience: How to Manage Your Mental Health During COVID
- Vaccine Update & State Plans
- Hazard/Risk Analysis & Workplace Exposure Prevention
- Building Ventilation Issues For Returning to the Workplace
- Personal Protective Equipment (PPE) - Proper Selection and Use

**The Live, Online course is offered from 10 a.m. to 12 p.m. The Live, Online course is led by a moderator and has Q&A throughout the course. This course is perfect for groups and intact teams and a great way to get your in-service hours.**
