

Mercy House

BELIZE

SPIRIT LED BUILDING A LUTHERAN CAMPUS

Dental Care

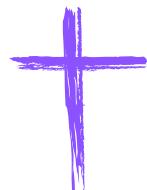

Our friends in the village do not have access to regular dental care. Having a free clinic available gives them hope. All of our relational mercy care points to Christ Lutheran Church where the spirit can be ignited through His Grace.

Feeding Program

Currently, there are 56 students being fed daily through the feeding program. These students have shown improvement in their grades but also in their attentiveness and behavior.

Hearts for Jesus

Mercy House is located next to Christ Lutheran Church. All of our relational mercy care will point to the church. Each dollar donated can help a student not only receive a hot lunch but also receive dental care.

HEARTS
FOR JESUS CHRIST
