We are thankful to participate in the highly anticipated 59th Annual Dearborn Garden Walk. Highlights of your stop at First Saint Paul's include:

- **Access to First Saint Paul's spaces and activities are free;** you need a ticket to see the other gardens.
- **Guided Sanctuary Tours** by Paul and Darlene Fahrenkrog at 3:40 and 4:15 p.m.
- **Mindfulness and Gardening presentations** by Amy Jo Schleef at 1:30 and 3:00 p.m.
- **Rest and enjoy** our newly-renovated patio.
- **Flower pot painting activity** for all ages throughout the day.

There are several opportunities to volunteer your time making this event a success while welcoming our neighbors and making new friends. You can commit to the whole afternoon or just a few hours.

1. Help set up the presentation and craft area after Sunday morning fellowship
2. Act as a greeter to welcome our speakers and guests
3. Keep the supply of cold refreshments fully stocked
4. Help with general clean up following the event.

Contact Marlo Schulz-Kittl at 312-642-7172 or email at mschulz@fspauls.org.

NOTE: Tickets for the official garden walk event are available on the North Dearborn Association website.
