We are excited to bring poet Tanner Olson and singer/songwriter Blake Flattley to Gurnee for a night of poetry & songs, humor & honesty, looking for hope in the dark.

- Tanner will share his words with us, and Blake will lend his music.
- Bring your friends of all ages for this relaxed evening of finding comfort in community and Jesus.
- After the show, there will be snacks and time for conversation.
- This is a FREE event, but please RSVP on the Facebook event and encourage others to get it into their calendars, too!
