August 2022

Greetings in the name of our Lord and Savior,

I pray you had a peaceful summer for both body and soul! I also pray that you are reenergized and ready to enter the new school year with joy and enthusiasm.

After surveying and exploring Early Childhood Director opinions, the **Early Childhood Consultants have planned a tremendous program for the coming school year** for both Early Childhood teachers and directors. Due to the fact that many Directors are not able to leave their schools during the day, we have decided that all Early Childhood Directors will be encouraged to register for and attend the conference dates scheduled and attend with the elementary and high school administrators. The topics chosen will benefit early childhood as well. It is important that Directors meet with the principals for networking and fellowship.

As we begin to prepare and think ahead with joy to the possibilities for the 2022-2023 school year, we know that learning and peer exchange is so important. Please find the attached registration form for the leadership conferences planned for the coming school year. The conferences will be held at Concordia University Chicago.

The cost for all three conferences is \$100.00 and includes lunch through the new remodeled cafeteria line.

Please forward your registration to:
