How do you talk about your faith in a time like ours?

 LUTHERAN HOUR MINISTRIES

Technology and rapid cultural shifts, including the impact of social media, have redefined the ways we communicate. This experience will focus on this shifting definition of evangelism and the perceptions of faith sharing from both sides of the conversation: the sharer and the hearer.

Gain confidence and learn strategies through research-based insights to have more meaningful spiritual conversations with others through presentations of the Spiritual Conversation Curve and an overview of Households of Faith by Rev. Dr. Chad Lakies, and storytelling on three areas of the Spiritual Conversation Curve by Rev. Dr. Michael Zeigler.
