

February, 2025

Dear friends,

The NID **School Support Fund** helps support Lutheran School services above and beyond what our District budget is able to provide. Thanks to this fund, we can continue to serve schools with The School Support Fund. This fund serves all NID schools by providing the following and other special things:

- The preparation, writing, and presenting of professional development topics and trainings done by Lois Stewart throughout the year.
- Travel and expenses for **early childhood consultants**.
- **Offset NLSA expenses**. The annual fee charged recovers only a small portion of the \$30,000+ spent by NID annually on NLSA.
- Administrative expenses for **Hearts for Jesus** are covered so that each dollar donated to Hearts for Jesus goes directly to a designated mission.

There are many more things that the School Support Fund covers so our schools can thrive. Please support these ongoing services by contributing to the NID School Support Fund.

The suggested level of assistance is \$1.00 per pupil. Some schools have chosen to do more. As every school supports this Fund at this minimum level, a great deal can be accomplished. I strongly encourage all elementary schools, high schools, and preschool centers to participate.

Serving the Master Teacher,

Lois Stewart

School Name/City _____

of pupils enrolled _____ x \$1.00 =

Enclosed is \$_____, our level of support for this year.

Please send this form along with your check by March 15, 2025 to:
