

## What is the Walk Thru the Bible – New Testament event?

It's Learning That Goes Beyond Just Learning. **Walk Thru the Bible's New Testament** seminar is one of the most ingenious learning experiences ever created. This seminar will teach attendees the major events, people, and chronology of the New Testament and understand its storyline. It's fun too! **Attendees will learn the material using hand signs, catch phrases, group reviews, and enjoyable – and very often hilarious – interaction with the instructor.** The bible will come alive for them as never before as they see God's plan for His creation unfold before their very eye.
