- Individual congregations may wish to hold their own events, but participating together with other churches in your circuit could make a larger impact.
- If you choose this option, contact local officials and police departments to let them know what you plan to do and where. Establishing good civic relations is always encouraged!
- Check out **LCMS Life Ministry** resources at <https://www.lcms.org/how-we-serve/mercy/life-ministry>, including service orders, prayer litanies, signage, and a link to **LCMS Eyes of Life** where you can find life-themed gear.
- Consider contacting other local churches, inviting their participation.
