

## NID Parish Nurse Network Education Schedule-2024

***Therefore encourage one another and build one another up,  
just as you are doing. 1 Thessalonians 5:11***

***Note:*** Please consider that the NID Parish Nurse Network offers several educational opportunities each year. These are for the purposes of networking, spiritual growth, professional development, and to be able to support our three ministry opportunities: (1) supporting the biannual trip to the USA by Raida Mansour (parish nurse from Bethlehem in Palestine, (2) providing partial scholarships for new parish nurses within our Northern Illinois District, and (3) offering affordable Christ-centered approved continuing education for parish nurses within the LCMS and others. ***Please note that retired, active, potential parish nurses, or others providing support to the parish nurse ministry are all welcome and of value in our discussions and in supporting the service projects.***

The two continuing education events will be either totally by zoom or a hybrid event. Invitations will be sent to interested parish nurses within the LCMS and LPNI parish nurse google groups as well as the NID Parish Nurse Network. Announcements will also be put on the NID PNN Facebook page and in the *Parish Nursing Notes*. The spring event will be planned by Patricia Braun in collaboration with Chicagoland Lutheran Education Foundation. The fall event will be planned by Marcy Schnorr in collaboration with Lutheran Parish Nurses International. Continuing Education applications will be submitted for both events by Patricia Braun assisted by Jan Kinsel and others on the education committee.

No refunds are provided for a cancelled registration since plans were made based upon registration. In addition, the following procedures were established at the Core team Meeting (July 6, 2020).

**All payments must be sent with registrations** since all plans are made based on the number of registrations. Several registrations were made with a “pay at the door” and then either the person did not attend, or the meeting had to be changed to Zoom so there was no door. Either way, the costs were still incurred. On-site meals expenses were replaced with mailing costs for Zoom meetings as some items cannot be sent by e-mail. ***An early-bird discount is given to anyone***

***who includes payment for the full year prior to the January meeting. A deposit of \$100 will cover the entire year (\$140 if paid separately).***

1. No meeting will be cancelled. **If weather, pandemic restrictions, or other unforeseen event necessitates cancellation of on-site meeting, a Zoom meeting will be provided as an alternative.** E-mail addresses shall be requested with registration.
2. Hostesses for in-person or hybrid CE events are encouraged to apply for Thrivent Community Action Grants to assist with costs.
3. A small honorarium is offered to pastors who provide an extensive Bible study or theology lecture and to guest presenters from a charitable service organization. Other guest presenters receive a small gift. Major presenters from within our membership are given gratis admission to the event.
4. One hostess for each event is given gratis admission in appreciation for the service provided.
5. Any parish nurse within the NID-LCMS who has never attended a gathering of the NID Parish Nurse Network or any RN who is a member of a congregation within the NID-LCMS who is interested in learning more about parish nursing is welcome to attend their first meeting at no charge.

***Mentoring Meetings are best on Mondays or Tuesdays either the 2<sup>nd</sup> or 3<sup>rd</sup> week of the month.***
