My New Mexico State Fair

A fair is a fair, but not just anywhere.

Mine is full of culture, food, fun, and flair!

I can visit the Sensory Station if it becomes too much to bear.

It will be a long day, so I must plan and prepare

With water and sunscreen and comfortable footwear.

This year we celebrate a road known far and wide,

Route 66 is turning 100, come along for the ride!

In September each year, the Fair is the place to be.

So gather your friends and your family!

Together we can adventure, explore, and do much more.

When the State Fair is open, I will be there.

But it can get very busy, so I must stay aware

While enjoying the sights, sounds, and delicious smells in the air.

With unique entertainment, food, and memories galore,

There is always something exciting waiting in store!

My State Fair is the best, no others can compare.

So, buckle up and enjoy the ride and we'll see you there!
