

Centro Announces New Hire

Centro is pleased to announce Amber McIntosh has joined Centro in a new territory based in Bowling Green KY. She will cover Western Kentucky including Owensboro, Calvert City and Paducah. Amber has an outstanding background in industrial sales and holds an MBA from Bethel University. She will be responsible for customer and sales development in both the process and the discrete manufacturing markets.

Centro is a specialty distributor and sales representative company focused on customers in industries where manufacturing process flow control of fluids, solids and gases is a critical success factor. The company is organized into six divisions:

- Valve, Actuation & Engineered Products Division;
- Instrumentation Division
- Automation & Robotics Division
- Filtration Division,
- Process Equipment & Sanitary Division
- Pump & Seal Division

Each of these divisions provide specific services to customers that are used to control or monitor the flow of various materials in the plant manufacturing process.
