Matthew Eklond accepts Technology Consultant position

September 27th, 2019, Dayton, OH - C&E Advanced Technologies is pleased to announce that Matthew Eklond has accepted the position of Technology Consultant for Region 782.

Matt was the TPM Manager for Marangoni Tread North America, a company that provides retread products and systems. While Matt worked there, he oversaw and managed all maintenance procedures and operations. He would also troubleshoot solutions to problem areas and oversee repairs. Matt will be reporting to Lee Harris, Regional Sales Manager in Tennessee.
