Centro will distribute Dorner Conveyor Systems as part of the Automation & Robotics Division which is led by Jerry Walling, Division Sales Manager at Centro.

About Centro:

Centro Inc., founded in Memphis in 1970, is a specialty representative and distributor company focusing on customers in the Industrial Process & Manufacturing Market. The company serves customers through six product focused divisions:

- Instrumentation, Measurement & Control Division
- Valve, Actuation & Engineered Products Division
- Purification & Filtration Division.
- Pump & Seal Division
- Process Equipment & Sanitary Division
- Automation & Robotics Division

Centro has experienced significant growth since an ownership change in 2002 and has been recognized by the Memphis Business Journal with a Pacesetter Award. Centro is one of the top 100 Privately Held Businesses in Memphis and was selected by the Memphis Business Journal as Small Business of the Year in 2012.

About Dorner Conveyor Systems:

Over the last 51 years, Dorner's product line has evolved from a single, low profile metalworking conveyor to a robust line of industrial, sanitary, and automation precision conveyors. Dorner and Centro have solutions for a broad range of industries including packaging, automation, food processing, manufacturing, pharmaceutical, medical and more
