Press Release: Nick Chaney selected by Alliant Group for STEM Scholarship

Alliant Group is a company that Centro partnered with since 2006 to work on corporate tax issues including the Research & Development Tax Credit.

The Alliant Group has a program of offering scholarships to children of employees and customers who are planning to pursue a degree in a STEM major. Nick Chaney, son of Centro territory manager, Doug Chaney applied for this highly competitive program. He made it to the final 150 applicants and after a review of his essay, great high school grades and athletics; he was selected as one of about 20 winners of a \$10,000 college scholarship. Mike Gallagher, president of Centro along with Nick and Doug Chaney were invited to the Alliant Group headquarters last week for their Leadership Summit at which Nick was presented with his scholarship.

The young people involved in this program were incredibly impressive and came from all over the USA. Candidly it was one of the most uplifting and optimistic events many people had seen this year. If these young people represent the future of our county, we are indeed blessed. As a group they were involved, intelligent and poised well beyond their years.

About Centro:

Centro Inc., www.CentroSolves.com founded in Memphis in 1970, is a specialty representative and distributor company focusing on industrial customers in the Discreet Manufacturing and Process Flow Markets. The company serves industrial customers through six product focused divisions:

- Instrumentation, Measurement & Control Division
- Valve, Actuation & Engineered Products Division
- Purification & Filtration Division.
- Pump & Seal Division
- Process Equipment & Sanitary Division
- Automation & Robotics Division

Centro has experienced significant growth since an ownership change in 2002 and has been recognized by the Memphis Business Journal with a Pacesetter Award. Centro is one of the top 100 Privately Held Businesses in Memphis and was selected by the Memphis Business Journal as Small Business of the Year in 2012.
