**ISLANDIA, NY, November 6, 2018** — [Festo](#) announced that [Power/mation](#), St. Paul, Minnesota, has become its newest distribution partner. Power/mation, a value-added solutions provider with deep roots in the power transmission industry, has warehouses and sales offices in Illinois, Iowa, Minnesota, Nebraska, North and South Dakota, and Wisconsin.

Power/mation will introduce the Festo product offering to its customers in Minnesota and the Dakotas as an extension to its current product portfolio.

"We surveyed our customers and sales personnel asking what areas of automation technology they most wanted us to add to our portfolio of solutions," said Robert Stern, Vice President of Business Development, Power/mation. "A majority said pneumatics. We evaluated the market leaders and came away knowing we wanted to partner with Festo." Stern said that the evaluation team considered such factors as annual research and development budget, the quality and
