### **Jason Peters Joins Sales Region 800**

***March 13, 2019, Dayton, OH*** – C&E Advanced

Technologies is pleased to announce that Jason Peters has accepted the position of Inside Sales Coordinator. In this role, Jason will be responsible for growing business throughout C&E's four state service area.

Jason previously worked for AT&T Business Sales and was responsible for prospecting corporate accounts and customer retention. Prior to entering sales, Jason spent four years in the United States Navy as a Boatswain Mate.

Jason will be reporting to Jon Cooper, Campaign Coordinator, as part of Region 800; which is the sales initiative that applies the same division of labor used in manufacturing, but now applied to the sales process.
