### **Aaron Cooper accepts Inside Sales Coordinator position**

**June 11, 2019, Dayton, OH** – C&E Advanced Technologies is pleased to announce that Aaron Cooper has accepted the position of Inside Sales Coordinator for Region 800. As part of the Inside Sales team, he will be working with customers to evaluate and discuss their needs and drive sales growth.

Aaron was previously an Inside Sales Representative for Ward Steel Service, a local steel distribution center. While he was there, Aaron provided exceptional customer service and was responsible for accounts payable, receivable, and invoicing. Aaron's attention to detail and his emphasis on customer experience made him a valuable member of the Inside Sales team at Ward Steel Service.

In his new position at C&E Advanced Technologies, Aaron will be reporting to Jon Cooper. Aaron's contact information is below.

## **Mickey Williamson accepts Technology Consultant position for region 600**

***June 11, 2019, Dayton, OH*** - C&E Advanced Technologies is pleased to announce that Mickey Williamson has accepted the position of Technology Consultant for Region 600.

Before joining C&E, Mickey worked for AOTMP as the Business Development Manager, where he was able to build and maintain a high quality sales pipeline lead generation. Mickey was primarily responsible for business development in his assigned territory, and he consistently exceeded his quota on a quarterly and annual basis.

Mickey will report to Yancy Wilcoxson, who will be assisting Mickey as he familiarizes himself with all of C&E Advanced Technologies' products, services, and systems. His contact information is below.
