Accu Tech USA Announces New Sales Director

Wake Forest, N.C., March 2, 2020 – Accu Tech USA, the leading provider of automation and motion solutions, is pleased to announce that Thomas Weibel has joined the Accu Tech USA sales team as the Sales Director. You can reach him directly at (585) 261-8401 or tom@accu-techusa.com. Weibel will be responsible for reaching out to existing customers to make sure their needs are met, developing new customer relationships and supporting sales representatives within the region. This appointment supports the company's strategic direction, strengthening customer relationships as well as expanding our sales coverage in the northeast.

"This is a great time to join Accu Tech USA in this new role, with new initiatives and a product roadmap in place that aligns with the fast-growing market," said Weibel. "I am excited to work for such a well-respected company in the automation industry. I look forward to working with my customers and helping them find the best solution that will help them grow their business."

Prior to joining Accu Tech USA, Weibel worked for over 35 years in multiple Sales and Engineering roles for linear motion components and system companies. In these positions, he honed his skill set and areas of expertise with a vast array of automation solutions including: actuators, ball screws and linear guides. Weibel received his Bachelor of Arts from DePauw University in Economics and Business.

Ed Lee, president, Accu Tech USA, commented, "Tom is a great fit for this position. I am confident that his experience and knowledge will help cultivate our customer centric sales model and drive our company goals. We are delighted to have him onboard as a key contributor."
