¡Hola chicos, bienvenidos a la clase de español!

I am the upper-grade Spanish teacher. I will be teaching 5th, 6th, 7th, and 8th grade Spanish. Our classroom experience will be grounded in the American Council On The Teaching of Foreign Languages' three modes of communication (interpersonal, interpretive and presentational) for modern languages and the four skills: speaking, listening, reading and writing. We will learn about the various cultures in Latin America. Spanish classes will be conducted in the target language, we will use realia, total physical response, and you will utilize your language skills in a variety of interactive classroom activities. Classical students will have Spanish three times a week and Neighborhood students will have Spanish once a week. Have a great
