Reading

In 8th grade we will cover a variety of literary topics that will prepare you to be a critical thinker. You will be expected to analyze texts, cite evidence and most importantly take ownership of your work. Don't forget to READ over the summer!!!

Writing

As an 8th grade writer you are expected to produce a variety of different writing styles. Personal narratives, persuasive responses, expository essays and poetry are just to name a few. Keeping a journal over the summer is a great writing tool. Let the author within you shine!
