107th Avenue Upcoming Road Closures
Construction Information

Peoria's contractors on two projects along 107th Avenue, between Rose Garden Ln and Williams Rd, have coordinated their work effort for two planned road closures over the summer.

Scheduled for June 1–8, the 107th Ave and Rose Garden Ln intersection will be closed to travel for crews to stand traffic signal poles and put the traffic signal into service.

Scheduled for June 9 – July 17, Deer Valley Rd will be closed between 117th Ave and 104th Dr, including the intersections at 107th Ave and 109th Ave. This closure is necessary for installation of waterline at the 107th Ave and Deer Valley intersection and also in Deer Valley Rd between 107th Ave and the well site just west of 104th Dr. Following this work, pipeline installation will continue north in 107th Ave.

In both cases, detour signage will be in place to direct travelers around the closure and some restrictions will be in place to minimize cut-through traffic through neighborhoods. Resident access will be maintained although it may not be the most direct route. Work will take place weekdays during daytime hours, beginning as early as 5 a.m.; however, traffic control will remain in place 24/7 in the interest of safety and to protect the work zone.

Thank you for your patience during this work.
