ARROWHEAD MANOR BOOSTER PUMP STATION

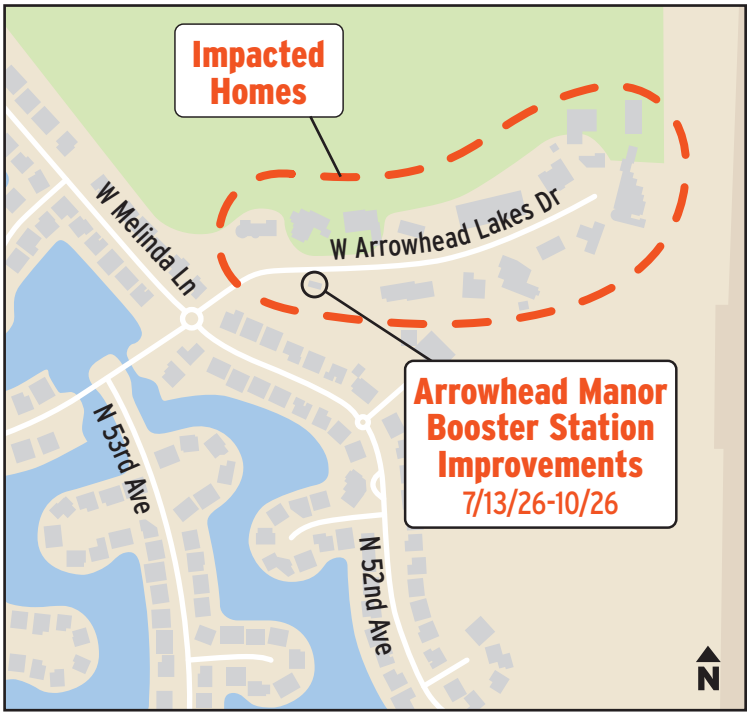

JULY 2026

Fire Booster Pump Station Improvement Overview

The City of Glendale is making additional improvements to Arrowhead Manor Booster Station (5183 West Arrowhead Lakes Dr). This work is necessary in order to replace the existing surge tank that supports the local water distribution and fire hydrant network in your area. The work is being performed proactively to maintain the safety, reliability, and efficiency of your area's water infrastructure. **Work is scheduled to start on Tuesday, July 13, 2026 and will take approximately 3 months**. This infrastructure upgrade will be performed by the City's contractor, Felix Construction.

Due to the nature of this work, short periods of water service interruption will be necessary. Residents will be notified at least 48 hours prior to any scheduled water shut off.

- Summer work hours are 5 a.m. – 5 p.m., Monday through Friday. Night and/or weekend work may be necessary.
- We apologize for any inconvenience this may cause, and thank you for your patience and understanding.

SAFETY FIRST! Keep children and pets safe. Always avoid construction and excavation sites.
