

# DPI Night at the Missouri Mavericks!

Join Developing Potential, Inc. at the Missouri Mavericks hockey game on Sunday, February 19 (4:05 game time) and support our services for individuals having disabilities.

Tickets are \$22 (see order form below). A portion of each ticket sale provides support for DPI's services without any additional cost to you!

Come out and be a part of our crowd to cheer on the Mavericks and participate in the following ways:

- Purchase tickets and bring a group! A Mavericks game is a great, family-friendly activity!
- Donate to the Chuck A Puck program at the game – a portion of the sales goes to DPI and you could win cash, too!
- Volunteer at the game to help us sell pucks.

Ticket order form (please detach and return with payment)
