Allison helped my wife and I buy a Pelican Bay condo this year. In a word, Allison's work for us was outstanding. We looked at condos from Moorings through Park Shore, Pelican Bay and further north; Allison knew this area very well. Allison is a great lady, and we had lots of laughs working together. Allison has a wonderful work ethic; she was on the job seven days a week, and was always prompt and cordial in returning our calls and texts. With her suggestions about where and what to buy and how to negotiate, Allison displayed the seasoned judgment of an experienced professional. Importantly, Allison is a straight shooter. I could not recommend a real estate agent more highly.
