

ALLISON D. CALLAS

Powered by Passion & Professionalism
...since 2013

In a crowded field of agents, I pride myself on standing out as a highly communicative, award-winning, straight-shooter whose goal is always to realize YOURS.

I've called Naples home since 2002, when I left my NYC Corporate career days behind and moved to Naples with spouse and toddler, a block from my delighted snowbird Pelican Bay parents . I worked at building several entrepreneurial ventures that ultimately led to my Real Estate Career, and I've never looked back!

Fast forward, and headed into my 13th year as a full-time Realtor in SW Florida, I have met so many wonderful people, many of whom are still in touch with me as friends. I'm proud to say I consistently get great results for my customers, and my reviews reflect that.

Whether you're looking to Buy or Sell or just curious about market trends—I'm always happy to have a conversation. Let's connect and make your next move a smart, successful one.
