SUNDAY, MARCH 29TH 1:00 PM - 4:00 PM

Autumn Woods is one of Naples' most beloved communities, offering a rare combination of a prime central location, beautifully maintained natural surroundings, and a true neighborhood feel that's hard to find. Residents enjoy miles of tree-lined streets, scenic lakes and preserves, and a peaceful gated setting that provides both privacy and security. At the same time, you're just minutes from Naples' stunning Gulf beaches, Waterside Shops, Mercato, and some of the area's best dining and entertainment. With a mix of home styles, community amenities like a clubhouse, pool, tennis courts, and walking paths, and a welcoming, active atmosphere, Autumn Woods strikes that perfect balance between convenience, beauty, and everyday livability.
