This is a wonderful journey through some of the most important and formative periods of history and we hope you will be enthralled by the stories of the Hellenes, Romans and of Christianity in our fascinating exploration of Ephesus.

This marvellous city, sitting on the hills outside Kusadasi is a fabulous open air archaeological wonder founded by the Greeks around 2000 BC. It was one of the most important cities of the region and was dedicated to the goddess Artemis.

The Temple built in her honour was one of the Seven Wonders of the Ancient World. It had more than 100 marble pillars each standing 56 feet tall and it earned the city the name 'Servant of the Goddess.'

A single pillar remains standing on the site, found during an excavation in the 1870s. We will be able to see the Agora, Odeon, the Library of Celsus, the marvel-paved Main Street of Curetes, the Baths of Scholastica, Trajan's Fountain, the Temple of Hadrian and the Houses of Koressus, where the wealthy families of Ancient Ephesus lived.

Only 13 per cent of Ephesus has so far been uncovered. The finds from the excavations made so far are housed in the Archaeological Museum of Ephesus in the city of Selcuk.

We have time for shopping for carpets, jewellery, leather and other souvenirs at the end of our tour.
