

November 19, 2019

Dear Business Owner/Entrepreneur,

Greetings from Palau Small Business Development Center (Palau SBDC). I hope my letter finds you in good spirits. Palau SBDC is organizing a day market to celebrate and support small businesses on Small Business Saturday, on Saturday, November 30, 2019. Originally founded by American Express in 2010, SBA became an official cosponsor since 2015.

SBDC is inviting your small business to showcase, demonstrate, and/or sell their goods primarily focused on kicking off the holiday shopping season. The event will be open for general admission by the public, including locals and international visitors. The proposed time for the event will run from 10:30 am until 4:30 pm, which allows ample time for the venue to be cleared by 6 pm. Please contact Alfia or Lte at 587-6004 for further details.

Please join us and help make Small Business Saturday Day Market a fun community event for entrepreneur to network and share their products & services to the community to enjoy. SBDC kindly reminds that this day market is an **ADS-Free (Alcohol, Drugs, and Smoke Free)** event.

We also welcome any suggestions for improvement. Please contact Palau SBDC at 587-6004 or myself at 775-5472, should you have questions or comments.

Kindly,

Lt. Lte H. Fritz
