Binkley Buddies

Binkley is a place where many of you come to get a hug, have a chat, and see a smiling face on a regular basis. We recognize that our doors being closed will leave many of you feeling extremely isolated.

We want to help alleviate these feelings as much as possible. Our pastors will be doing all they can to remain in close contact with as many folks as possible. Be sure to reach out to your Deacon if you are in need of assistance. If you're not sure who your Deacon is, look for your name on this [list](#), or ask the [office](#) .

To take things a step further, we will implement a **Binkley Buddy** system. If you would like to be connected to another member of our community as someone who you can be in regular contact with during this time, please let us know! Even if you are not feeling particularly isolated, but would like to be there for someone who is, let us know that, too! Send your name, email, and phone number to the [office](#) and we will assign you a buddy. We'll connect you to your buddy via email. Once you're connected with your buddy, you can decide how and when you communicate with one another. FaceTime? Emails? Letters? Phone calls? It all goes! (Just not in person!) You're also welcome to choose your own Buddy.
