

But What Should I Donate???

Are you wanting to donate to the silent auction but feeling unsure about what you can offer to help support the Choral Scholars Program? We've put together the following list to help!

Donate Your Space!

Have a “happy place” at the beach or a quiet retreat in the mountains? A local cabin or a faraway loft? Consider offering your special space for a short getaway!

Want to help others travel but don’t own or have access to a property? Consider donating airline miles, hotel stays, or other travel essentials that could be bundled with other donations.

Examples may include: a two night stay at the beach, a one night stay at a Hilton property, a five night stay in the mountains, etc.

Donate Experiences!

It’s no secret we live in a vibrant community full of opportunities and events! Do you have season tickets you’d be willing to share? Great seats at DPAC? Connections to a local brewery or restaurant? Put them to excellent use by donating an experience for your fellow Binkley members to bid on!

Examples might include: tickets for local food or walking tours; golf outings; ski passes; theme park tickets; workout class passes; boat rentals; hot air balloon rides; tickets to local theater, dance, or comedy performances; tickets to sporting events; wine, beer or food tastings; or access to any other special outing you think your church family would enjoy!

Donate Goods!

Spark some joy by bringing in just the right items to auction off!

Examples could include: signed sports memorabilia; signed instruments or albums; food gift baskets; artwork; gift certificates to restaurants; spa baskets; and much more!

Donate Your Talents & Time!

We know Binkley is full of talented people. We have bakers, gardeners, organizers, writers, yoga instructors, nutritionists, photographers, woodworkers . . . the list goes on and on! Put your talent to use and donate an experience to this year’s auction. Consider offering your time as your donation. Want to pass on your expertise? Donate a class in your special talent.

Examples may include: a beginner’s gardening class, a pie baking session for two, two hours of professional cleaning or organizing, a woodworking workshop, music lessons; etc.

Make a Financial Donation and We’ll Find the Item!

Still feeling lost? Don’t get discouraged! You can support the auction by making a financial donation that can be put toward purchasing additional items for the auction.

P.S. Did we mention that donations are tax exempt?

Ready to donate? Contact Sarah Hill McIntyre at shcolwell@gmail.com or 919-428-5593. Hurry, all donations must be received by Sunday, July 21st!
