

Link your grocery loyalty cards to the Binkley Preschool. The Binkley Preschool currently has six vacancies in the 4-year-old class which will make a big hole in their budget this year if the places are not filled. To help, you can link your grocery store loyalty cards to the Preschool and the grocery store will donate a certain (small) percentage of certain purchases to the Preschool.

1. **Harris Teeter.** Binkley Preschool's number for Harris Teeter is 2666. Any cashier can link your VIC Card and you can be linked to up to 5 schools at the same time (proceeds will be equally divided). VIC Cards must be re-linked every school year starting August 1st.
2. **Kroger.** For Kroger each cardholder must go to www.kroger.com/communityrewards and link to Binkley Preschool #90302. Each Plus Card can only be linked to one school at a time, and must be re-linked every school year starting September 1st.
3. **Lowe's.** For Lowe's Foods each cardholder must go online to carttoclass.lowesfoods.com and link their Fresh Rewards Card to Binkley Preschool (no number needed). Cards can be linked to up to 3 schools at the same time and must be re-linked every school year starting August 1st.
4. **Weaver Street Market.** At Weaver Street Market put the money you would spend there on a gift card, ask to have it linked to Binkley Preschool (#180), and each time you make purchases using the linked gift card, WSM donates a percentage of your purchases to the preschool.
