and Orange Chatham Interfaith Care for Creation (OCICC)**

Rising to the call from GreenFaith's ["Faiths 4 Climate Justice"](#), University United Methodist Church (UUMC) and Orange Chatham Interfaith Care for Creation (OCICC) invite all to participate in an Interfaith Prayer Chain Walk for Climate Justice on Sunday, October 24 at 2:00 PM – 3:30 PM. We will gather on the front lawn of UUMC, 150 East Franklin Street, for a short welcome and prayers for our earth. Then we will proceed in a short route up one side and down another along Franklin Street ending back at UUMC for a closing prayer. Come with homemade posters! Non-marchers are invited to sit on the front lawn of the church with posters or not! We want to call attention to and pray for the [U.N. COP26 climate summit](#) in Glasgow, Scotland Oct. 31 – Nov. 12. Sunday free parking is available in the Rosemary Street lot and on the street. The UUMC parking is reserved for people with disabilities.
