GOD'S CREATION

EARTH DAY OUTDOOR WORSHIP SERVICE

April 22, 11 am, Peace Plaza

We will gather at 11:00 am on April 22 to honor Earth Day by worshiping outdoors in the Peace Plaza (outside the kitchen entrance). The service will be informal and casual, so dress accordingly. Please bring lawn chairs and/or a blanket, and a covered dish meal to share on the grounds in a lunch fellowship following worship. We still set up chairs for those without lawn chairs. Our Earth Ministries Team will bring an important proclamation regarding our "Greening of Binkley" initiative, so come and enjoy the day as we worship in the splendor and beauty of God's creation. Invite your friends and family to this wonderful opportunity for worship, fellowship, and fun.
