MUSHROOM FARMING OPPORTUNITY

Newport Oregon

Newport Experiment Farm has space available for a startup / small-scale mushroom farming operation

NEF is an 18 acre former dairy farm, situated in a bucolic valley, just 3 miles east of Newport and the coast, 50 minutes from Corvallis and the I-5 corridor.

Available for use to the prospective farmer:

$800/month

- 200 - 300 SF of interior within the former dairy barn
- 500+ SF of paved exterior area just outside the barn
- Access to the woodshop and other onsite resources
- 1 bedroom in the shared main house and use of all common areas including kitchen and laundry
