

Django Grootmyers

Django Grootmyers is a first-year PhD student in the lab of Dr. P. Brandon Matheny in the department of Ecology & Evolutionary Biology (EEB) at the University of Tennessee, Knoxville. Originally from Columbus, Ohio, he received his BS in Evolution, Ecology & Organismal Biology (EEB) from the Ohio State University where he also worked as a research assistant in the Plant Pathology department (Dr. Jason C. Slot's lab). His research focuses on fungal systematics, especially in the basidiomycete family Porotheleacae and related clades in the suborder Marasmiineae.
