

## SUPERINTENDENT'S MESSAGE

April 17, 2020

Dear Boerne ISD Family,

Earlier today, Governor Abbott announced that **all Texas schools will remain closed for the rest of the 2019-20 school year**, to help keep our students and staff safe during the COVID-19 virus.

Although we are disappointed that we will not be able to have our students back on our campuses until August to start the next school year, we know that this was the best and safest decision for the health and well-being of the Boerne ISD community. One thing is for certain, **distance learning will continue for the remainder of the school year at Boerne ISD.**

Our administration has already begun logistical planning on several fronts, including continuation of distance learning, student textbook return and locker item retrieval, end of year grading guidelines, among others. **We will be receiving guidance from the Texas Education Agency on how to safely hold commencement ceremonies for the class of 2020.** As soon as we have finalized information on these topics, we will inform the Boerne ISD community.

We look forward to sharing news regarding the end of the school year, and we are already excited for 2020-21! Stay strong, we are in this together!

Sincerely,

*Dr. Thomas Price, Jr.*

Superintendent of Schools
