

# Superintendent's Message

March 19, 2020

Dear Boerne ISD Family,

We have just received direction from Governor Abbott, all Texas schools have been closed through April 3<sup>rd</sup> (could be extended).

### School Closure

All campuses and departments will **be closed through April 3.**

Essential staff has been reduced to less than ten employees at the central office. We are doing our very best to be responsive to all inquiries promptly. Thank you in advance for your kindness and patience.

I have been in awe of the extraordinary actions of our employees, administrators, students, families, and community. I am humbled by the many emails of encouragement and the support we are receiving from so many of you through social media. We are honored to serve such an exceptional community as Boerne and Fair Oaks.

Sincerely,

*Dr. Thomas Price, Jr.*

Superintendent of Schools  
Boerne ISD

## IMPORTANT INFORMATION

### Distance/Remote Learning

At this time, we have not received relief from the Texas Education Agency regarding the "continuity of instruction". We will proceed with instruction online and through printed packets. We acknowledge this is an added burden in the midst of a very uncertain time. We are working to align conflicting instructions and communications. Our instruction division will be reaching out with more information.

### Drive-Through Meal Service

We will continue to provide drive-through meal service at **Curington ES and Boerne Middle School South. Breakfast 7-8 AM & Lunch 11 AM-12 PM.** Volunteers may sign up by visiting our website at <https://www.boerneisd.net/mealservice>
