

Superintendent's Message

April 2, 2020

Dear Boerne ISD Family,

As you may have heard, following an executive order by Texas Governor Greg Abbott, Boerne ISD will extend its closure for all campuses and departments **until May 4th**, to help keep our students and staff safe during the COVID-19 virus.

I would like to extend a sincere thank you for all that you are doing on the home front to make sure your kids are maximizing remote learning. We know none of this has been easy for any of you and we continue to be in awe of the love and support our parents, grandparents, aunts, uncles, guardians and so many others are showing the students of Boerne ISD.

While the buildings may be closed, learning has continued in full force at BISD. Our teachers are coming up with creative ways to connect with their classes and continue the lesson plans for this school year. I can't thank our staff enough for the hard work that they have put in for our students.

Despite the extended closure, there are many positives at BISD. Join me in capturing the many great moments occurring in the new way of doing school on social media. We will be on the lookout for your posts with the hashtag, **#GreatThingsBoerneISD**. I would love to see the great things happening in your family distance learning environment. You have raised the standard! Below are this week's updates.

Sincerely,

Dr. Thomas Price, Jr.

Superintendent of Schools
Boerne ISD

IMPORTANT INFORMATION

School Closure

Following an executive order by Texas Governor Greg Abbott, Boerne ISD will extend its closure for all campuses and departments **until May 4th**.

Distance/Remote Learning

Assignments: Updated assignment details for the upcoming week will be posted to Seesaw and Google Classroom by the end of the day Friday.

Due dates: Next week's assignments are due Thursday, April 9th. April 10th is a holiday.
