Addressing Community & Cultural Stigmas

Facilitated by Tara Doaty, Ph.D., Sage Wellness Group

June 9th 2026 at 10 AM - 12 PM, EDT

CEUs available. Register here or scan QR code below.

Training objectives include:

- Identify microaggressions, microinsults & microinvalidations
- Deepen understanding of how common cultural & community stigmas influence the experience of 'stereotype threat'
- Acknowledge implicit bias within oneself in a way that empowers participants to challenge 'data versus narrative' stigmas
