

UNDERSTANDING MEDICATION SAFETY

Taking important steps to protect you and your loved one

- Do you have questions about how to manage your medications?
- Are you concerned about how to recognize potential drug interactions?
- Do you know how to store your medications correctly?
- Do you know if you are taking your medicines the right way?

Lucy Barylak, MSW, will cover all of these areas and more during series of three 1-hour long sessions, as well as providing information about what you need to know about over the counter medications, questions you need to ask while in the hospital and why your pharmacist is so important regarding your well-being.

Dates:

March 5, 2020
March 12, 2020
March 19, 2020

Times for each session:

Eastern	11:00 am
Central	10:00 am
Mountain	9:00 am
Pacific	8:00 am
