TOO POOR TO DIE

An evening with author Amy Shea

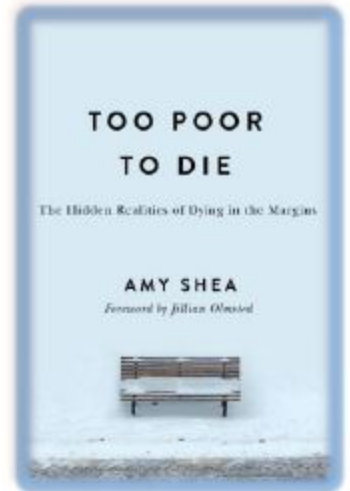

The Importance of Memorialization & Community Death Care

What happens to someone who dies without means for burial?

Join Amy Shea author of *TOO POOR TO DIE: The Hidden Realities of Dying in the Margins* and community death educator Anne Jungerman for an evening exploring what it means to die without means, unseen, or unclaimed, and the vital role of community, compassion, and witness in after-death care.

The evening opens with a brief memorial for Napa County's unclaimed dead of 2025, with words from Rev. Susan Panttaja and song from the Napa Valley Threshold Choir, followed by Amy's reading and discussion. The program concludes with a book signing and sales of *Too Poor to Die*, along with light refreshments.

BOOKS WILL BE SOLD BY NAPA BOOKMINE!
