Death Positive Event Series

The Power of Palliative, the Hope of Hospice: Care in Times of Serious Illness

Celine Regalia, MSW, MA
Executive Director

Collabria Care

Celine Regalia is the Executive Director of Collabria Care where she manages a number of successful, innovative programs addressing the transitions of aging, serious illness and end-of-life care for the Napa Valley community. As Program Director, she was instrumental in building the award-winning Collabria Day Program, which she headed for over 20 years. She has successfully developed collaborative partnerships with local community organizations and expanded outreach and community education programs. She holds a master's degree in Medical Social Work, as well as both a bachelor's degree and master's degree in Speech Pathology from California State University at San Jose.

Thursday, March 5, 2020 at 6:00 p.m.
1625 Salvador Avenue, Napa
