Death Positive Event Series

A Presentation on

ALTERNATIVE FINAL DISPOSITION OPTIONS

"We have an innate relationship with the earth, and in death,
we can continue that bond by choosing a final disposition
that nurtures the environment instead of polluting it.
It's a way of making our last act one of responsibility and love." ~ Lee Webster

Thursday, October 3, 2024 at 6pm

Tired of the same old conventional burial or flame cremation routine? Join us as we dig into some fresh, eco-friendly alternatives! We'll explore a variety of "Final Disposition" options legal in California ~ **Green Burial**, **Human Composting**, **Aquamation**, & more.

These choices aren't just better for the planet ~ they offer a meaningful way to engage with your own deathcare journey, bringing peace of mind to you and your loved ones.

1625 Salvador Avenue, Napa

Doors open at 5:45pm

Admission is free; however, donations of $10+ would be gratefully accepted.
Any extra funds will be donated to the NAPA VALLEY UNITARIAN UNIVERSALISTS.
