

 **Our Mission**

Napa Valley CanDo is a vibrant, all-volunteer service organization.

We connect, inspire, and empower neighbors by making it easy to take positive action as volunteers and to learn about our community.

All of CanDo's efforts are designed to strengthen and enrich the lives of Napa Valley residents. We create and implement dynamic projects when we recognize unmet community needs, and we collaborate with other local service organizations to further our mutual goals.

*"Ours is not the task of fixing the entire world at once,
but of stretching out to mend the part of the world
that is within our reach."*

Clarissa Pinkola Estes
